Welcome

Dear Junior Golfer,

My name is Bryce Halverson, and as your Junior Coordinator I would like to welcome you to The Winston 2019 Junior Program. The Winston Golf Club Junior Program focuses on encouraging a junior's development in the game of golf and provides skills that can be carried forward into every day life.

Enclosed is an overview of what encompasses being a junior member at the club for the 2019 season. Our intent is that you will be able to use this document as a reference guide to supplement the information given at our junior orientation.

Junior orientation will take place on **Sunday, April 7th, 12:00pm - 2:00pm** in the Majestic Ballroom at The Winston Golf Club. Parents and juniors are encouraged to attend this event to familiarize themselves with the program, along with helping to learn the expectations and guidelines we ask of our junior members.

If you have any questions, comments, or suggestions please feel free to contact Bryce Halverson at 403-984-1708.

Sincerely,

Bryce Halverson

Code of Conduct

The Winston Golf Club takes great pride in all of its members and facilities. In order to enjoy yourself and understand expectations, this Code of Conduct is provided. Golf is a game of honour in which respect for your fellow competitor and the rules are integral to the game. This code identifies the minimum standard that junior members are expected to meet as members of The Winston Golf Club, whether at the Club or while representing the Club.

Proper golf attire – in the Clubhouse and on the course – must be worn at all times:

- All clothing must be worn in a neat and respectable manner.
- Collared shirts for boys and girls golf shirts require either a collar or sleeves.
- Tailored slacks, shorts or skorts for the girls. All shorts must have an inseam of at least 15cm (6 inches) and a finished hem.
- Boy's shirts must be tucked in at all times.
- Hats are to be worn properly (peak forward) and are to be removed in the Clubhouse.

Unacceptable Clothing Items Include:

- Cell phones or messaging devices are to be kept on vibration mode when at the club.

Behaviour at Other Clubs

You are a guest when visiting other clubs and you represent yourself as well as The Winston Golf Club. This Code of Conduct shall apply while at your club or while visiting other courses. It is important to respect the values and standards of other clubs and adhere to their policies should a stricter code exist. Please be aware that dress codes may be different at other clubs.

Golf Course and Clubhouse Behaviour

- The golf club is an adult environment and juniors are expected to act accordingly in a respectful and courteous manner, demonstrating their understanding of the privilege it is to be a Winston Golf Club Junior member.
- Abusive or inappropriate conduct or language, including temperamental outburst, throwing or breaking clubs, any form of cheating or abuse of the golf course in any way is unacceptable and will not be tolerated.
- Juniors must be at least 16 years of age and have their GDL license to drive a golf cart, if they do not they must have a back shop employee drive them to the practice facility or onto the course.

Violations of the Code of Conduct

If a minor violation occurs, the individual will be prohibited from further participation until he/she complies with the above code. The individual must do so without delay and then maintain that standard. Any such actions that are considered serious may result in the individual being removed or excluded from any Junior Program or activities until the incident has been resolved by the Junior Coordinator. The junior member is responsible for their guest's behaviour and appearance.

Junior League

Junior league will take place on Saturday's at 4:30pm starting May 4th and going through to August 24th. Juniors are allowed to book up to 7 days in advance (Saturday for next Saturday). To reserve a spot, juniors **must** sign-up by calling the golf shop to participate in the league before 7:00pm on each Tuesday preceding, so we can block off the appropriate amount of tee times as space is limited. Juniors signing up late may not be able to play in the league as we release unused tee times to other members. The league game will only count for the first 9 holes. Juniors can continue to play 18 holes if they wish, as long as they continue to abide by the pace of play policy.

Junior Member Saturday Instructional Program

Junior instruction will be offered before league play on the dates specified in the schedule above, hosted by Golf Professional Bryce Halverson. This program is **free of charge** and is only open to Junior Members of The Winston Golf Club. Classes will be 45 minutes in length and will include Full Swing, Pitching & Chipping, Putting, Etiquette, Course Management, and a basic introduction to the rules of golf. Assessments will be conducted on May 4th and 11th at the Winston, to determine which juniors fit into "A" and "B" groups. These groups will be set based on age and skill level. A junior will only need to attend one assessment date.

Juniors thirteen and over, assessments will commence at 2:00pm on both Saturdays.

Juniors 12 and under, assessments will commence at 3:00pm on both Saturdays.

The Professional staff view the interclub events as an important aspect of the development of our juniors and we encourage everyone to participate. These events give the players an opportunity to play different courses around the city and represent The Winston in a slightly competitive atmosphere. Player selection will be based on participation in our weekly junior leagues, and will look to give all interested juniors a chance to participate in the interclub program. Sign up is encouraged to be done at the junior orientation, but can be done at any time during the year by calling the golf shop.

Dates and times of all events will be provided at the Junior Orientation Meeting on Sunday April 7th. Other clubs participating in the Junior Boys Interclub include Willow Park, Earl Grey, Country Hills, Inglewood, Pinebrook, Glencoe, Canyon Meadows, Calgary Golf & CC and Silver Springs. Individual programs custom designed for juniors who are dedicated to working on their golf game and being introduced to competitive play, or taking their competitive skills to the next level. A program can be scheduled at your convenience in coordination with the Professional's schedule, to allow for continuous improvement and coaching throughout the golf season.

Junior Development Camps

The Winston will be offering junior development camps for the 2019 season which will entail instruction, lunch, and a nine-hole playing lesson to utilize skills learned on the driving range and putting green. These camps look to target skill development and long-term player growth, and are open to both members and non-members of the club. The schedule for each day consists of one hour of instruction on the driving range and one hour of instruction involving short game, a thirty minute lunch break, followed by an on-course playing lesson. The 4:1 student to coach ratio will allow each junior to receive personalized and detailed instruction from a PGA of Canada Professional.

Dates, times, and pricing for the development camps:

\$199 per person, maximum 4 students per camp. Includes 2 hours of detailed instruction, lunch, and a 9 hole playing lesson (\$320 value). Please contact Bryce Halverson if you have any further questions regarding development camps or would like to tailor a camp to your junior's specific needs.

The entire membership has equal access to the driving range, short game area and putting greens. The only time a member will be asked to leave is if they are not complying with the dress code, being disruptive in nature, or if there are professionals teaching lessons at the practice facility.

Charging Privileges

If you would like your junior to be granted charging privileges at The Winston Golf Club, you will need to complete a pre-authorized credit card debit form, which is available from Sarah Brown, sbrown@thewinstongolfclub.com.

If you do not want your junior to have charging privileges, The Winston Golf Club has gift cards. These gift cards are available for purchase in the golf shop, can be made for any denomination and can be used anywhere on the premises (Golf Shop, Halfway House, Regal Taps Lounge, Dining Room) for drinks, food, merchandise, or events. The amount can be topped up throughout the year if needed.

Parent Support & Involvement

The Junior Program is for your children. Just like any other activity your child is involved in, parents have an important role to play in the Junior Golf Program, not merely to make the program run successfully, but to make it an enjoyable and meaningful experience for your child and you, the parent.

It is the goal of The Winston Golf Club that parents can be actively involved in facilitating the growth and development of their children in not only their own golf game, but in the life skills that are a part of playing the game. We encourage parents to be involved as their child progresses through their development years of the game.

In addition to supporting your child in their golfing activity, the program depends on volunteer time of the parents as well. We are always looking for parents to walk around on Junior League days. We will also be looking for parents to assist with carpooling to any away interclub, tournaments, etc.

Junior Volunteers

During the year, The Winston hold many events that need extra help to run. We are looking for excited juniors to help us. Juniors will be provided with lunch for each event. Please let Bryce Halverson know if you are interested in volunteering.

Pace of Play

Junior members are to adhere to the pace of play policy. A group shall play a round of golf (18 holes) at The Winston Golf Club in a maximum of 4 hours 10 minutes. If any group is reported to be out of position (1.5 holes behind the group in front and behind time par) at any point during the round, senior golf shop personal or a player’s assistant will aid and assist the group until they are back in position. **NO EXCEPTIONS.**
