

INTRODUCTION

The Winston Golf Club is a semi-private facility. Members, non-members and groups are welcome.

Whether it's your putting, short game, or full swing that needs some fine tuning, our fully trained PGA of Canada Professionals can work with you to give you the confidence you're looking for to improve your game. If you are looking to learn how players think on the course, an on-course playing lesson may be a great option. Playing lessons have advantages, such as golf course management skills, alternative club selection options, trouble and recovery shots, and pressure and scoring situations.

Please contact your golf professional directly to book lesson times.

WE OFFER

- Indoor winter lessons on a GC Hawk Golf Simulator
- Teeline mat system, short game and practice bunker area
- Daily Range Pass (access to all practice facilities) \$20
- Annual Range Pass \$525

GROUP LESSONS

If you have a group of friends who want to learn how to golf, have a group social activity, or take your game to the next level, private group lessons are available. These private group lessons are completely customizable from dates, times, topics, and number of lessons. For example, you could book four group lessons, each lesson with a different topic, or you could simply book one lesson on the driving range. Reservations in the Regal Taps Lounge can be made for snacks, lunch, dinner, or beverages after the lesson. The options are endless.

4 Lessons	\$203	\$315	\$383	\$450
5 Lessons	\$244	\$375	\$450	\$555

The Winston also has a Trackman that can be used during a lesson. Please request this additional \$25 service in advance.

CUSTOM FITTING TRACKMAN GOLF

Stop the guesswork. Trackman technology gives instant feedback. Why take a driver out for a 4 hour round if you have the incorrect shaft in it?

We have fitting equipment for Callaway, Cobra, Mizuno, Ping, TaylorMade, and Titleist. Our trained PGA of Canada Professionals can fit you on the range, and with the use of Trackman, can easily compare brands, shafts, and settings to help find the right fit for you. We fit for length, lie, head model, shaft flex, grip size, and skill level. In addition, we can also help with your distance gapping within your current or new set.

JUNIOR LESSONS

If your junior would like an introduction to the game, has had lessons before, or would like to fine tune their game, our Professionals are more than happy to “grow the game” with junior instructional lessons and programs. We offer several lesson options including day camps. For more information, please visit our website and view the entire junior package.
