Frequently Asked Questions

Does the Winston GC have a cancellation policy?

A member has up until four (4) hours before his/her tee time to cancel without penalty. If a member does not cancel prior to the four hour window, they shall be charged one-half of the applicable green fee. The “no show” policy will not be in effect during inclement weather as determined by the Head Professional or designated staff. Appeals can be made to the General Manager.

How do I earn loyalty points?

Loyalty Points are earned through member purchases at The Winston Golf Club. The program is designed to encourage members to support the club and to ensure that they receive great service, and competitive pricing. Members can redeem Loyalty Points on golf shop merchandise, green fees, carts, and food & beverage items. To redeem, just let a Winston employee know that you would like to redeem your points at time of check-in. Loyalty Points expire each year at the end of October.

How do I book a lesson?

To book a lesson, for members or non-members, please [CLICK HERE](#) and contact your preferred Golf Professional directly.

Why do you have to aerate the greens?

Aeration is necessary for many reasons. Aeration helps maintain proper drainage, removes the accumulation of organic matter and provides relief from compaction. Most importantly, it encourages root growth. A golf green, which is mowed very short is always under pressure from foot and mower traffic and the elements. It is a living breathing system which needs constant monitoring and attention.

Aeration is one of the most essential of these agronomic practices.

Is there a beverage cart on course?

Yes, on a typical day, a golfer can plan on seeing the beverage cart twice, once on the front 9 and once on the back 9. It may be more, depending on how busy the course is, but golfers should plan on twice.

How do I demo clubs or get fit?

Contact a PGA of Canada Professional at The Winston. We also host several vendor Fit Days throughout the season that members can sign up for.

How does member charging work?

All yearly membership types MUST provide a valid credit card. Member statements are prepared at the end of each month and sent to the members within the first seven days of the next month by email. The club will automatically process payment of your statement balance using the credit card on file the 3rd week of each month.

Members have until the last business day of the following month to pay the previous month's balance in full, after that time 1.5% interest is charged on statement balances (including previous unpaid interest charges) older than 1 month. Charging privileges are suspended on accounts with a balance over 60 days. Members may view their charges and account balances at any time by logging in to the member area of the website.

Can I bring guests?

A member may introduce up to three (3) guests any time Monday through Friday during regular play. A member may introduce three (3) guests during league play with the exception of Men's League which is limited to one (1) guest per member. A member may ballot for themselves and up to three (3) guests on the weekend after 12:00PM. Any members booking for guests will be required to play with their guest.

I'm a new member, how do I book a tee time?

We encourage all Members to book their tee times on [The Winston Golf Club website](#). Using this booking method allows members to see available tee-times and book at their own convenience. Once you are registered on the website and are logged in; navigate to "[Member Central](#)" and then "Tee Times". You can also call the Golf Shop at 403-984-1700, option 1, 1.

Tee times for Saturday, Sunday, and holidays are arranged by a lottery system managed by the Golf Shop. Ballots must be submitted by 7:00PM each Sunday. The draw will be accessible for members at 12:00 PM each Monday. Members can submit their ballots on the website (Member Central; Tee Times).

For further assistance, you can click on "Help" in the "Tee Times" webpage to view the four (4) YouTube videos that instruct you on how to create tee-times, make a lottery request for weekend bookings, how to manage groups and buddies, and how to view and edit your bookings.

When can I book a tee time?

Members may book one tee time per day in advance. Weekend ballots must be submitted by 7:00PM each Sunday.

'A' Members (Trial/Shareholder/Unrestricted A/Designate) can book 7 days in advance Monday through Friday. Saturday, Sunday and holidays the ballot system is in effect. 'A' Member lottery requests are considered the first priority.

'B' Members (Spousal/Annual) can book 6 days in advance Monday through Friday. Saturday, Sunday and holidays the ballot system is in effect. The lottery system will follow 'A' members. 'B' members may book in advance any open tee time on Saturday, Sunday and holidays the Wednesday prior after all other categories of membership have been satisfied through advance balloting.

'C' Members (Young Professionals, Intermediates and Juniors) can book 5 days in advance Monday through Friday. Saturday, Sunday and holidays the ballot system is in effect. The lottery system will follow 'A' then 'B' members. 'C' members may book in advance any open tee time on Saturday, Sunday and holidays the Wednesday prior after all other categories of membership have been satisfied through advance balloting.

Are there any exceptions to tee time bookings?

All tee times are open with the exception of Club Tournament dates and weekly leagues. The above times will be reflected accordingly on the tee sheet.

Tuesday (Ladies League)

Wednesday (Men's League)

Monday/Thursday (Corporate Tournaments)

Sunday (Evening Junior League)

Does Turfcare shave the greens down for the Club Championship?

No. There are several factors that affect green speeds and the height of cut is just one of them. Green speed is controlled with cultural practices such as verti-cutting, top-dressing and rolling. Also, near the end of a fertilizer cycle the growth has slowed, therefore keeping green speeds more consistent throughout the day. Rainfall and humidity also play a role in green speeds. Getting the greens rolling faster for the Club Championship will only slow the pace of play and frustrate the majority of players. Our goal is to maintain the speed as close as possible to what everyone plays on every other day of the year.

Do I have to sign my chit?

Yes, if a member does not sign off on their chit either inside or on-course, the servers will automatically add a 15% gratuity unless told otherwise. Signing your receipts help the administration office ensure monthly statements are correct.

Why does the club have back nine starts?

Instead of having maintenance times where we delay tee times until mid-morning we have back nine starts every second week. The reason for this is to give turf care the opportunity to get work done on the front nine that we cannot achieve ahead of play with early morning tee times.

Things we do include; verti-cut and topdressing. Time is needed to blow off the debris left behind and for the sand to dry so it can be brushed into the canopy. Greens venting is done on these days, which is aeration with small, solid needle tines. This takes approximately 30 minutes per green. When disease protection products are applied, they need time to dry on the plant before anyone walks on the green. Surfactants and wetting agents need extra water to be worked into the soil profile requiring more time to get this done. Bunker maintenance and extra mowing is also performed on these days.

What is a rain rush discount?

When the horn goes due to lightening being detected, the Winston offers 15% off appetizers in the restaurant while people wait out the storm. We offer this discount on appetizers as to try to not overwhelm the kitchen since appetizers require less preparation and can be shared among many people rather than everyone getting individual meals.

How do I sign up for leagues and in-house events?

To register for in-house events please login to [Member Central](#) and select the event from the 'Upcoming Event' tab on the left-hand side of the screen. From there you will be directed to the registration portal which will have all details pertaining to each event.

Why are you hosing? Aren't the sprinklers working?

Even the most modern sprinkler systems do not distribute water coverage perfectly equal. Some areas will get more water than others, therefore hand watering to balance the moisture levels is necessary. The greens and parts of the green complexes sometimes need extra water. The green profile is mostly a sand base which leads to localized hydrophobic conditions which require extra attention.
