

## Corporate Membership Information Package

The Winston Golf Club golf course was originally established in 1923 and is conveniently located minutes from downtown. Our clubhouse offers great food and a great view of the course, full locker room facilities, an exercise room and a full service member-owned golf shop with 6 golf professionals on staff.

The Winston Golf Club is a championship 18-hole course playing between 5,376 to 7,051 yards from four (4) sets of tees. A redesign of the course was completed by renowned golf architect Les Furber in 1992 and features beautiful, mature trees, water hazards and many well-placed sand and grass bunkers. We also offer a driving range, two putting greens and a short game practice area.
