Whether you're hosting a corporate outing, charity event, or a friendly competition among friends, our golf course provides the ideal venue. Contact us today to embark on a journey towards hosting a golf tournament that will be talked about long after the last ball drops into the final hole. Your unforgettable golfing adventure starts with us - book now for an unparalleled experience on the greens.

# New Clubhouse

We are thrilled to announce that construction of our new Clubhouse will begin in early 2025! While this is an exciting step forward, it means that in 2025 we will operate with temporary facilities for hosting golf tournaments and other events.

## Key Details for 2025

- **Unchanged Golf Experience:** The course will remain in pristine condition to provide the same exceptional experience for your guests.
- **Temporary Food & Beverage Services:** Limited offerings will be available, adjusted to fit temporary preparation and seating arrangements in an event tent.
- **Reduced Tournaments:** We are reducing the number of tournaments hosted annually from 26 to 13. This ensures exclusivity—you'll never share your date with another event.
- **Optimized Start Times & Player Limits:** You'll have flexibility in choosing start times (shotguns between 9 AM and 1 PM) and player counts will be capped at 104 due to seating restrictions this season. A minimum of 80 players is required.
- **Streamlined Event Staging:** Carts will be prepped with your tee gifts which can easily be ordered through The Winston with your tee gift credit and ready for your players upon arrival.
- **Venue Setup:** A tent near our temporary clubhouse facilities will host your group before and after play, featuring:
  - Buffet dining options
  - Microphone, podium, and 1 prize table
  - A portable bar for convenience
  - All tournaments must provide a pre & post golf meal for all players.
- An 18% service charge and 5% GST will be applied to all F&B services.

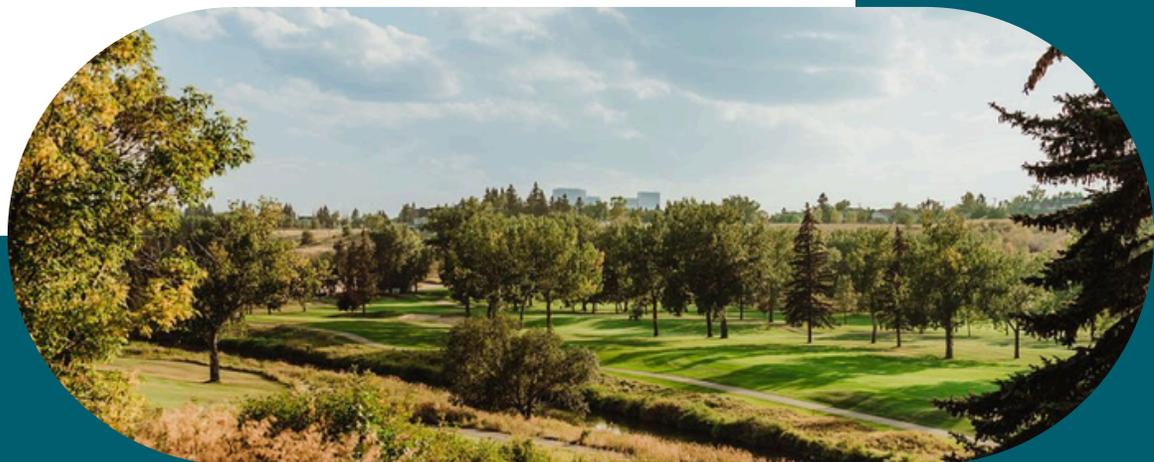

# Your Day

Your day at the Winston is overseen by a dedicated Tournament Manager assigned to ensure your entire event proceeds seamlessly.

Golf package details include:

- Electronic Scoring: Industry leading Golf Genius scoring software; complete with live scoring, leaderboards, and sponsor placement
- Personalized cart plates and digital scorecards: Cart staging with sponsor logos, player names, and digital scoring (one golfer in each group must download the Golf Genius app)
- Player gifts and prizes: \$30 per player allotment for gift certificates, tee gifts, or prizes from the golf shop
- Course set up: Includes hole competition preparation with tournament sponsor logos, registration set up, banquet room for pre/post round meal(s)
- Hole-in-One-Competitions: For 2 of our par 3's - holes 9 and 17. A player scoring a hole-in-one will receive a Winston Golf Shop credit valued at \$2,000. Minimum yardages are 160 yards for men and 150 yards for women. Additional insurance options available.
- Use of practice facilities: Facilities include driving range, putting greens, and short game area which can be accessed up to 1 hour prior to event start time
- Banquet meals: Buffet meals have been customized for each package and options to upgrade or downgrade are always available, see remaining package for details and pricing.

# Sample Program

We've provided you a sample of your tournament experience at the Winston. Your options are endless and we work with you to deliver the best possible experience for you and your guests.

## Schedule of Events

- Players arrive to register (1.5 hrs prior to shotgun should be enough time), and receive tee-gifts (if applicable).
- Players enjoy breakfast or lunch (1.5 hrs prior up to 20 min before start)
- Pre-tournament announcements are made with sponsor messages and tournament rules in the staging area prior to lead out to golf course (20 min before start)
- Tournament starts - for the enjoyment of all guests, players are encouraged to play at a pace which allows the course to be played in 5 hours. Marshalls will be on course to help keep players pace of play.
- Players make their way to the tent for the banquet and prize presentations.

# Scramble Format

- Your tournament may play in any format, however, scramble format is very popular and is conducive to golfers and non-golfers.
- Men tee off from the white markers; ladies tee off from the red markers. Each player tees off.
- One drive will be selected by mutual agreement (all other drives are picked up) and all team members will play from the selected drive position.
- This procedure continues until the team reaches the playing green where each player then proceeds to putt from within one putter head length of the selected spot.
- This process continues until one player has holed out (the other players don't need to hole out once this has happened).
- The score recorded should be the actual score without handicap deduction.
- Should a team have to play from a bunker, the bunker may be raked after each shot in order to recreate the lie.
- 3 tee shots must be used per player in a team. In the case of only 3 players on a team, each player would alternate hitting a fourth ball.

# Food & Beverage

During the 2025 golf season, The Winston Golf Club will have limited food and beverage options due to constraints in food preparation and storage areas. However, if you have specific requests, please feel free to ask and we will do our best to accommodate. An outdoor tent will be set up which has a maximum capacity of 104 people which includes golfers and any non-golfers/sponsors.

For the comfort of all guests, tournaments must provide a pre and post golf meal. The pre golf meal may come from a Winston accepted external source and a \$300 food corkage fee will apply. Please discuss options with the F&B manager.
